

ABOUT US

Citadel Café is the Columbus area's newest café. Our homey Hilliard fortress has the finest drinks and dedicated customer service. Our dreams of providing a new alternative to typical, generic coffee chains inspired us to find the best coffee beans, the tastiest pastries, and finest desserts. Our commitment to providing the best options for our guests includes serving only freshly-roasted coffee and fresh donuts, muffins, lemon bars, and other delicious pastries delivered daily.

Our menu provides a wide range of heavenly flavors; be it our handcrafted Frozen Caramel Chai or our famous Citadel Apricot drink, you're sure to find something you love. Our grilled deli sandwiches provide accessible and affordable lunch options and our Turkish delight, baklava, and ice cream are for guests with a sweet tooth for both exotic and the traditional. Make Citadel Café your next destination for a coffee date, study spot, lunch joint, or hangout corner - and enjoy the best drinks around!

OUR STORY

At Citadel Café, we value diversity and believe that appreciating American culture means enjoying all of its unique flavors. That is why we offer delicious drinks and eats that most people have not had the opportunity to try. Named after the iconic Aleppo Citadel, our café is a means of paying homage to our rich heritage. We invite everyone to come try the foods we grew up enjoying, along with the traditional American treats we all love.
